Kris,

God, where do you start?! Egh! We've been through so much! Hard times, good times, sad times, etc... We did fight a lot, that's because we are so different, but that's also what makes us friends, ya, know? We seem to lose touch over the weekends, but we <u>can't</u> let that happen over the summer! Also, we don't have any classes together next year. & don't wanna lose touch. & would miss your bitchin', complaining, your questions, but especially your advice. Even though & get pissed off <u>a lot</u> everything you say sticks in my head and I'll think about it someday! Thanks! I've tried to help you and & think that & have some of the time, but & know I've been an ass about some things. The most important thing that & want to make sure you remember is to BE POSITIVE!!! Life sucks, but you have to live it! Hey, if you need help, you know where I'll be hun!

Love, Shannon

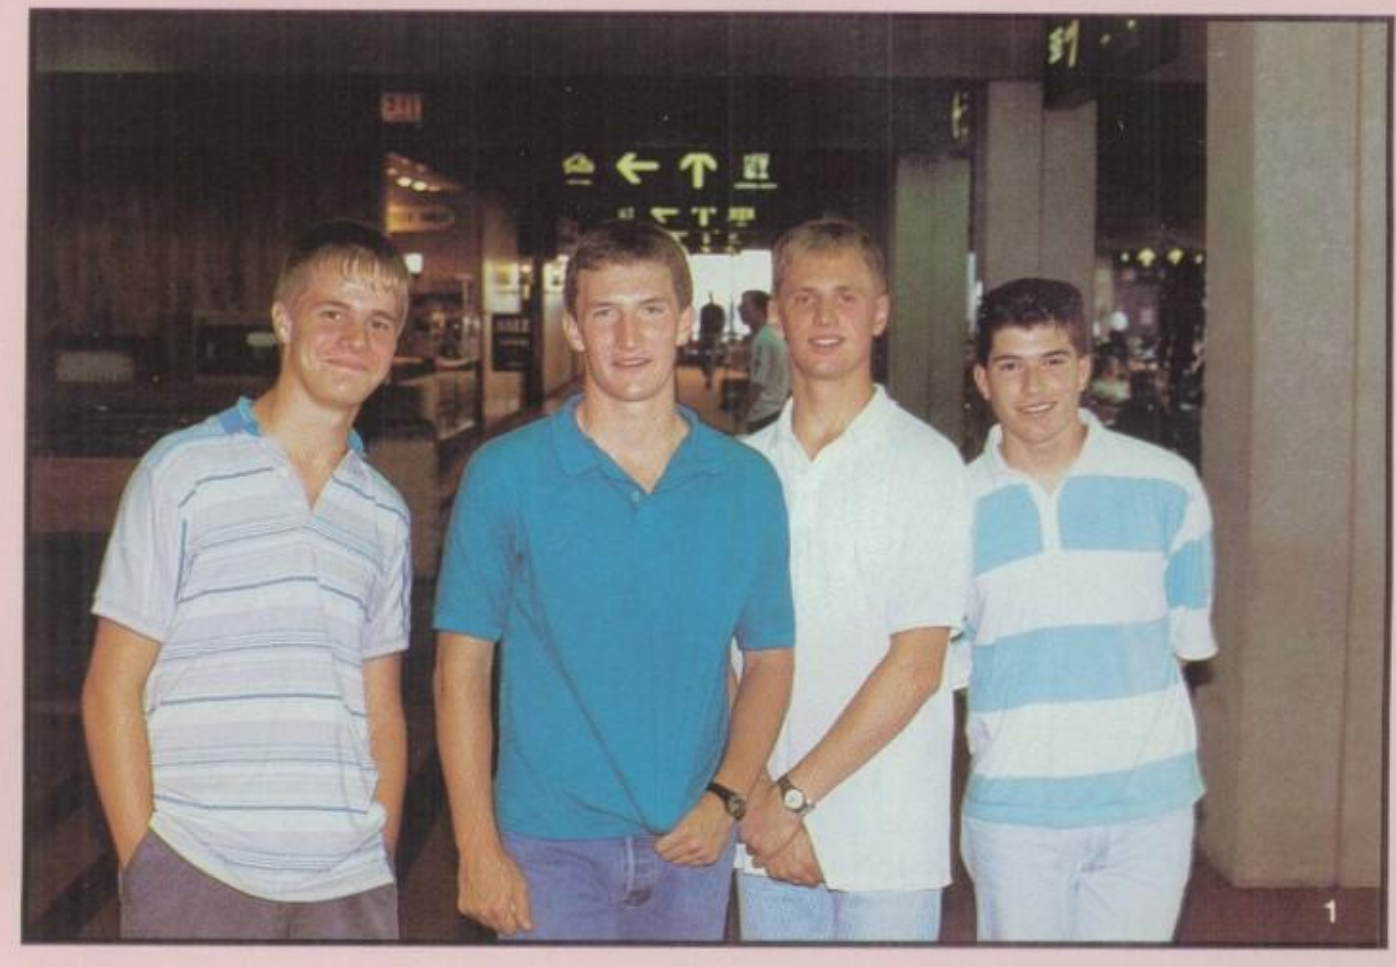
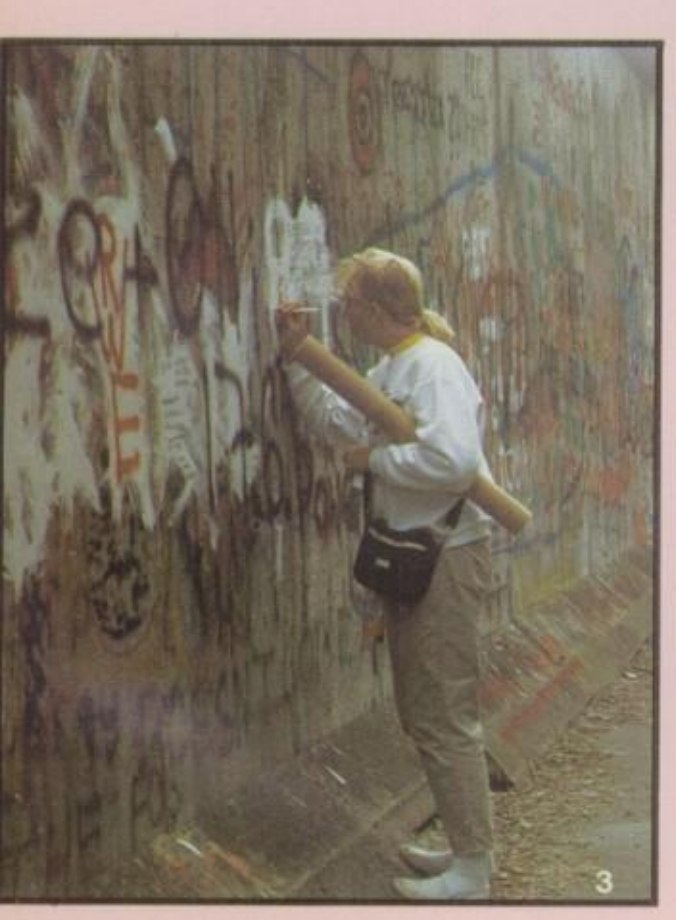
Summer Memories

Students Go Abroad

While some Pioneer students held summer jobs or went on family vacations, others had an opportunity to travel in Europe. Thirty students accompanied German teachers Ulla Roth and Barbara Dombroski on a five week trip to Germany. Students stayed with German families or in youth hostels as they visited different towns in Germany. The most impressive experience was visiting East Berlin and seeing the Berlin Wall. Meanwhile, to the south, fifteen Latin students, with Latin teacher Carol Houston and chaperone Patti Thomas, were travelling to Italy and then to Greece. Students spent a week in Rome, with a side trip to Florence. Then it was on to Greece for a second week in Athens and a cruise to three Greek islands. Highlights of the trip to Rome were visits to the coliseum, St. Peter's, and the catacombs. Students especially enjoyed the Piazza Navona and the Spanish Steps because of all the tourists and artists who gather there. Transportation strikes and flight delays did not diminish the enthusiasm of the students. Both groups of world travellers were eager to share their photos and stories on their return.

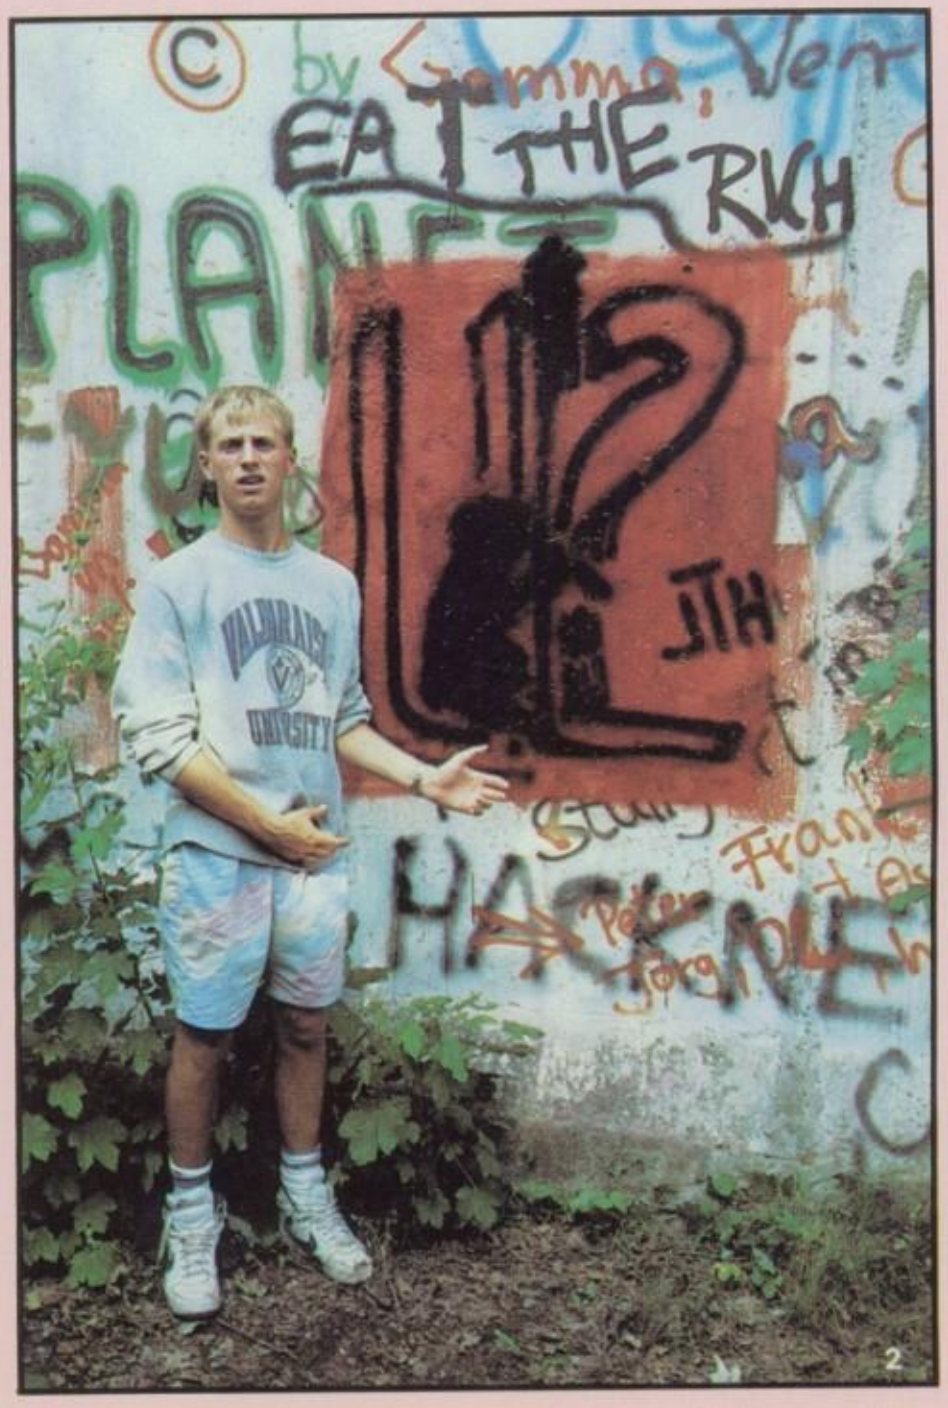




1. Erik Long, Curt Large, Jeff Huegli, and Mick Rutz pose at Detroit Metro just before leaving for Germany.

2. The sign reads, "WARNING! You are now leaving West Berlin." Students look past the Berlin Wall at Brandenburg Gate.

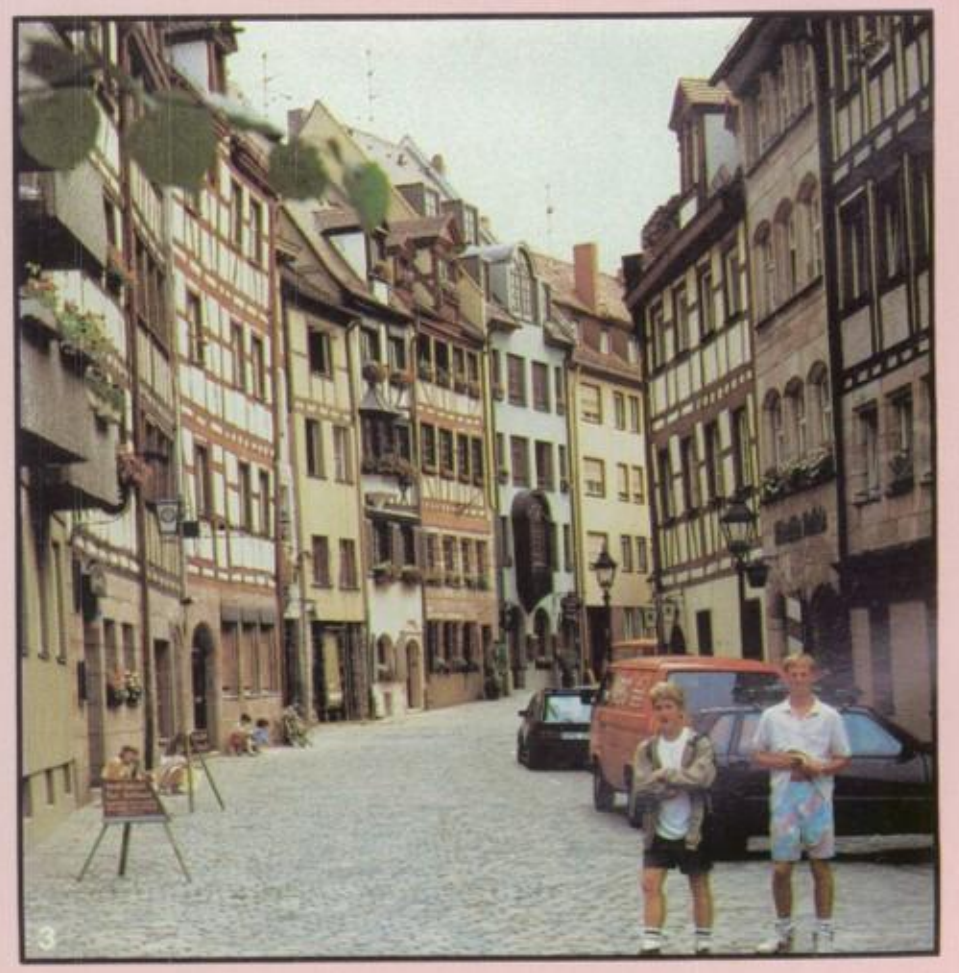
3. Kara Glover takes her turn at defacing the Berlin Wall.



1. Jenni Benjamin, J.C. Hanks, Mandy Macdonald, Kim Jones, and chaperones Carol Houston and Patti Thomas relax in front of the Parthenon.

2. Jeff Huegli stands beside his art masterpiece on the Berlin Wall.

3. Scott Vuchetich and Jeff Huegli stroll down a street in beautiful Nurnberg.



Theme 1988

MOMENTS

The yearbook staff decided that the theme of the 1988 yearbook would be ***Moments to Remember***. In a way that idea is captured in each moment caught by the passing camera and included in the photos within these pages. We realize, however, that it is impossible to capture what might have been each student's most memorable moment at Pioneer this year. We have tried to capture the highlights that will be remembered by most of the student body.

Perhaps you can remember the thrill of one of Pioneer's many state championships in athletics or the pride of being a spectator or participant in sports. Maybe it was the joy of being in marching band or part of the orchestra trip to Chicago. It might have been a memorable ski trip to Ontario, a trip to Stratford to see a Shakespearean play, or a journey to New York to visit art museums.

On the other hand, your memorable moment may have been something less obvious than any of the things mentioned above. It could have been a favorite class, that certain club or organization that appealed to your interest, or just having friends you could socialize with on lunch break or between classes. Although we couldn't capture everything, we have tried to portray the spirit of Pioneer and this year's more memorable moments within the 1988 ***Omega***.

Above: Krista Galligan gets help in math from University of Michigan student Ross Dondit. Tutors were available in many subject areas during and after the school day. Students could seek help on a particularly difficult unit or receive assistance on a daily basis if they needed it.

Below: Members of Pioneer's Theater Guild relax with their trophy in the hotel after the state Class *A* competition. Their performance of ***Fool for Love*** netted them first place in the state. For the students in Theater Guild it was a moment to remember and cherish.

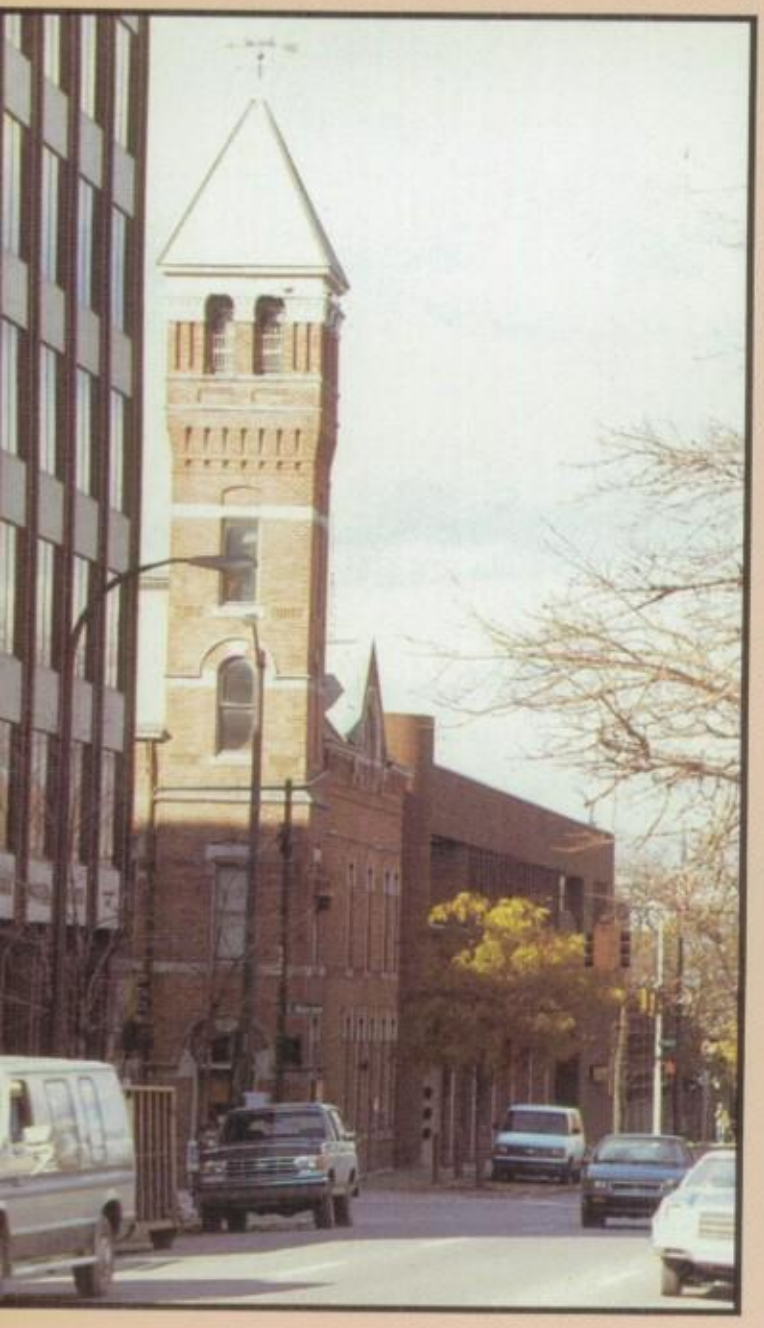
TO REMEMBER

bove: Members of Pioneer's symphony orchestra pack up to leave Chicago after their performance. Clockwise, from the top are Jared hroneberry, Lauren Kirsh, Samantha Bruce, and Tim Wilkins. Pioneer was one of two high schools invited to perform at the Midwest ıternational Band and Orchestra Clinic. Orchestra members will long remember the standing ovation after their performance.

elow: Senior girls don purple and white paint to show their pride in Pioneer's football team early in the season before anyone knew ıe team would be Class *A* football champs. Fans have a lot to remember about Pioneer's accomplishments in sports this year.

Around Town

Whether students went abroad or stayed closer to home, in the fall every student was back in Ann Arbor and in school. Watching Pioneer or University of Michigan football games, shopping for back to school clothes, or just hanging out around town brought many high school students out in the community. It was an opportunity to view the beauty of Ann Arbor in the fall. One could wander about the U. of M. campus, saunter along Liberty, or stroll down Main Street and have a sense of historic Ann Arbor. It is such a memorable place, to different people for different reasons. We hope the places here depicted will reflect those that Pioneer students will remember.



. Harry's Army Surplus is a favorite place to hop. The neighboring Metzger's Black Forest n is Ann Arbor's oldest restaurant.

. Who hasn't visited the Hands-On Museum the old fire station?

. The restored Michigan Theater shows clasc films and features live performances as ell.

FACULTY AND STAFF

ADMINISTRATION

A Year of Change

There were familiar faces in new places, as well as new faces, in the Pioneer administration this year. Former Assistant Principal, James Clark, served as Interim Principal, while Harry Hayward, former Class Principal, became Assistant Principal. Mary Jane Bricka returned to Pioneer for her second year as Senior Class Principal. Dr. Samuel Holloway served as Junior Class Principal, while Mike Madison, new to Pioneer this year, assumed the duties of Sophomore Class Principal. Mr. Madison came to Pioneer from Tappan Junior High School.

The administrators were very visible in the halls of Pioneer. Whether it was supervising the lunch room, encouraging students to get on to class, or dealing with occasional disciplinary problems, the administration made its presence felt.

Although this was a year of change in roles for several administrators, the effect was a positive one for both staff and students. The result was a more cohesive school community.

We Remember . . .

Art Armstrong, social studies teacher, Athletic Director, and hockey coach, passed away on March 24, 1987, after a lengthy battle with cancer. Although Art enjoyed his roles as A. D. and coach, his first love was teaching. "I like teaching," said Art. "For me every year is like senior year. I feel like I go to graduation every year." Tom Huntzicker, who played hockey on Art's first team said, "I will always be grateful for the guidance and concern he showed me." Many, in different ways, remember . . . Art Armstrong.

Parents' Night

The P.T.S.O. is a very active group of parents, teachers, and students, whose goal is promoting a healthy learning environment at Pioneer. Controlling substance abuse, promoting supervised evening social activities, and developing better communication in the school community are emphasized. As preparation is being made for making Pioneer a four year high school, the P.T.S.O. is also promoting better communication between Pioneer and its feeder schools. The officers this year are Margo Gill, President; Jane Pasquantonio, President-Elect; Jo Mitchell, Secretary; and Hans Meier, Treasurer; and Sidney Moore, Public Relations. P.T.S.O. also sponsors a night in the fall when parents learn about the curriculum.

The Covered Wagon

Dining in Style

The Covered Wagon , a restaurant enjoyed by Pioneer staff members and the public, is the result of the efforts of students and teachers in the Quantity Foods Management Program. Both Huron and Pioneer students are involved in the program, which helps students explore a core curriculum, followed by experiences in menu design, hospitality skills, entrepreneurship, catering, purchasing, or other areas. The restaurant opens in the fall from 10:40 a.m. to 12:30 p.m. after students are able to plan, prepare, and serve all meals. One of the "perks" of being a Pioneer staff member is dining at **The Covered Wagon**.

2. Huron student Ali Farha takes a luncheon order from a student teacher at the restaurant.

Left: Anna McEwen, who came to Pioneer second semester, certainly looks excited over what her sophomores are reading!

Homebuilding

The Homebuilding Program enjoyed another successful year under the supervision of Pioneer staff member Tom Lancaster. Participation in the program gives students an opportunity to assess their interest in the homebuilding industry. The design is selected from those submitted by students in Pioneer and Huron architectural drafting classes. The students then construct the home.

Begun in 1970, the program has the support of local contractors, developers, building supply companies, the Ann Arbor Board of Realtors, and Great Lakes Federal Savings and Loan. The Henry S. Landau and James O. Weldon scholarship is given to outstanding students who wish to pursue a construction-related career.

Pioneer Engineers

For more than a year six Engineering Club students worked on their project. The result, a hovercraft named *Excelsior*, lifted off the ground in August, 1987. The students raised the necessary $200.00 for the kit by selling and installing wooden locker shelves for Pioneer students. They assembled the hovercraft whenever they had free time and could get together. Tecumseh donated the 4-horsepower engine. The stages of their labor can be seen in the above photos.

Theater Guild

The Theater Guild, under the leadership of advisor Mervil Miller, completed its twenty-third season this year. Established in 1965, the Guild has given more than 200 performances over the years.

Students in Theater Guild learn about all aspects of a theatrical production, from make-up to set design, from lighting to procuring the necessary props for the set. The result could be seen in their fall production of ***Arsenic and Old Lace***. The play chosen as their entry this year in state competition was ***Fool for Love*** by playwright Sam Shepard.

The hard work and dedication of the students in Theater Guild made this year's productions successful ones. With the help of advisor Mervil Miller, technical director Herman Suyemoto, and the support of staff and community, the Theater Guild had a productive and memorable year.

Trip To Chicago Highlights Year

This was a memorable year for the Pioneer Orchestra. All the excitement began last spring when the orchestra was selected by audition for the prestigious honor of performing in the Midwest International Band and Orchestra Clinic held in Chicago. Only two high school orchestras were selected out of ninety-seven that auditioned. Fundraising campaigns and two hour rehearsal sessions every week required hard work and dedication. That effort was spectacularly rewarded, however, when the orchestra received a standing ovation after its performance in Chicago. Bravissimo!

Strong Finish

Although the women's basketball team finished the season with a 7-13 record, the team rebounded in November, winning 4 of 7 games, and reached the district finals. The team was led by co-captains Kathy Richards and Beth Greve. Kathy was the team's Most Valuable Player and was selected for All-League and All-Metro teams. Mary Collins was an All-League selection and received Honorable Mention for the All-Metro team.

The junior varsity record was 9-8. Led by Captains Jill Hanselman, Jenny Klimek, and Karen Hughes, the team enjoyed a winning season. With this new talent, the future looks even brighter for the fall of 1988.

State Champions

The men's cross-country team had an enjoyable and exciting season as it compiled a very impressive record. It won all its dual meets, the Jackson Invitational, and the Pioneer Invitational. The team captured the South Central Conference crown and then took first place at the regional meet. The crowning achievement was the team's victory as state Class "A" cross-country champs.

Jason Colvin, Nate Ford, and Mike Bock achieved All-State honors by finishing 2nd, llth, and 14th respectively in the state finals. With only three seniors graduating — Eric Larsen, Matt Knudsvig, and Mike Bock — the outlook for next year is extremely promising.

This year's victory was particularly satisfying to Coach Don Sleeman, who remarked that our last state championship in men's cross-country was in 1928. Congratulations to the team and its great effort this year!

State's Best

The Pioneer women's cross-country team won its second consecutive state championship by defeating 27 other teams in the state. Pioneer's total of 67 points was the third best total in state history. The women went undefeated in dual meets for the fourth consecutive year, celebrated their fourth SCC championship in a row, and won their third consecutive regional championship.

Co-captains Seana Arnold (17:52) and Danielle Harpell (18:09) were named to the All-State team for the third year. They rank one and two in the history of women's cross-country at Pioneer. Miss Harpell was the individual state champion, after finishing second and fourth in previous years. The two women also represented Michigan in the Midwest Meet of Champions and were nominated for All-American honors.

Pioneer also had five other runners break 20 minutes for the 5000 meter race: junior state runner-up and All-American nominee Gabrielle Brown (18:39); junior Carrie Dibble (19:17); sophomore Tera Furst (19:23); and seniors Rachel Mann (19:44) and Yolanda Marino (19:52). With newcomers Amy Stocker and Annalisa Knudsvig, plus veteran Megan Delahanty, the future continues to look bright.

State's Best

The 1987 field hockey team proved itself the state's best in an extremely successful season. Although the MHSAA does not yet recognize field hockey in organized state tournament play, the women were "unofficially" acknowledged as state champs after compiling an 8-0 league record.

The varsity team began the season with three-fourths of last year's squad returning. These veterans, along with newcomers, worked tenaciously to finish the season undefeated. All-League First Team honors went to Julie Hirth, Joanne Lande, Chris Spears, and Amy Vail, while Claudia Cabrera and Jean Thomson received Second Team recognition.

The junior varsity team started off with a mixture of old and new talent. With help from Coach Lisa Duhm, the team achieved a 7-1 record. Talented players returning next year should help produce another winning season in 1988.

State Champs

The 1987 Pioneer football team earned a berth in the state playoffs for the fourth consecutive year. The teamed finished the regular season with a 7-2 record and defeated four teams in the state playoffs to earn the Class A state championship. "Depth and defense were the keys to Pioneer's success," stated Coach Lori. That defense held thirteen opponents to a total of 99 points.

Led by Captains Obbie Franklin and Sean McCabe, the team was aided by the aerial attack of Kit Dickinson to Cortaz Paige and by the ground attack of running backs Adam Hinton and Aaron Bailey. The team's two losses were to cross-town rival Huron and to East Lansing in the opening game of the season. The Pioneers avenged their earlier loss to East Lansing by defeating them in the playoffs.

The highlight of the season was Thanksgiving weekend when 20,000 spectators watched Pioneer defeat Redford Catholic Central 3-0. Pioneer had won over Catholic Central during the regular season as well. For Pioneer fans the memorable moment was watching the players holding high the state championship trophy as they left the field.

Led by Co-captains Chad Tribble and Rob Deline and coached by Dorian Deaver, the men's gymnastics team faced a challenging season. The team was plagued with several injuries at the start of the season but managed to overcome these to participate in the state competition. Although the team finished fifth in the state, Chad Tribble won fourth place on the still rings and Rossini Publico came in sixth in the vault. The team is hoping for an injury-free season next year.

Winning Season

The men's soccer team, coached by Don Schwartz, finished the season with a record of 8-7-1. The team worked hard to achieve its two main goals: win as many games as possible and beat Huron. The Pioneers beat Huron 1-0 and ended up with a winning season.

Captain Jeff Devine and Bob Kallay were named to the South Central Conference first team, while Joe Tramontin and Peter Malley were named to the second team. Captain Peter Brodbelt and Mike Sampson received honorable mention. Bob Kallay was also named to the All-State first team. We're #1

With a record of 13-1 in regular season dual meet competition, the Pioneer women's swimming team entered state championship competition ranked # 1. The team had ten swimmers and six divers who qualified for the state meet held at Michigan State University in early December.

Although the women swam well, they were ranked second behind Birmingham Groves after the preliminaries at the state meet. Pioneer came back to win the first event at the finals: the 200 yard medley relay. However, Groves came back to take the lead with only four events to go.

The Pioneer comeback began with Jennifer Jackson winning the 500 yard freestyle for the third consecutive year. Rachelle Gaudet won a consolation heat, dropping eight seconds from her best time. Shannon Bellaire, winning the 100 yard backstroke, also made the Senior National cut. After Jenny Sandstrom placed ninth in the same event, Pioneer regained the lead by one point. The ultimate state championship rested on the final 400 yard freestyle relay. Paula Dehn, Rachelle Gaudet, Jenny Sandstrom and Jennifer Jackson won the event and dropped one second off their best time. In a dramatic performance, the women proved themselves real champions!

The Pioneer women's tennis team had an outstanding season, compiling a 14-0 record during the regular season, winning two invitationals, and finishing first in regional competition. Although top-ranked at the time of the state tournament, the women finished third in the state. That was, however, the best-ever finish for Pioneer women.

Karen Irwin won her second doubles championship, teaming up with junior Naiema Thomas. Karen said, "I just concentrated very hard. I was determined to win this. I knew my game would be there if I was determined enough. I was just hoping to get the last point." Teammates Amy VanAppledorn and Piper Copeland won at first doubles. It was Amy's second state championship; she hasn't lost a match in state championship play in two years. Coach Ruth Watts commented, "They had an extremely tough match and played very well. I think this is without question the toughest high school tournament in the United States. Almost all of the top seeded players here are nationally ranked." The Pioneer women's tennis team can certainly be proud of its accomplishments.

The Pioneer Men's Water Polo team got off to a shaky start, losing four of its first five games. However, with hard work and dedication, the team recovered to qualify for the state tournament and finished with a commendable fourth against very stiff competition.

Captains Kevin Corcoran and Jeff Huegli were selected to the All-State team and senior Bill Wagner received Honorable Mention. With only eight seniors leaving, the team looks forward to an even better season next year. The junior varsity team compiled a 5-2-1 season. A Time To Rebuild

With the tough job of defending the 1986-87 district and regional championships, the men's basketball team faced a difficult year. The team had lost five of its top players, including All-State guard Keith Wade; however, the team was fortunate to have two returning front-court players in senior forward Corey Taylor and senior center Casey Cammann. Cammann, captain of this year's team, averaged 17 points and 15 rebounds per game. With 29 points and 32 rebounds in the final game of the regular season, Cammann was voted the state's Prep Player of the Week. After a slow start, Greg Harris, Eric Fidh, and Jeff Herrin helped lead the team both defensively and on the fast-break. The Pioneers finished the regular season with a 9-11 record.

The Pioneers put everything together toward the end of the season in the final game with Robichaud. In a scintillating 75-70 victory over Robichaud, the team avenged an earlier season loss. The team then went on to capture both the district and regional crowns with true Pioneer spirit.

The team was in a state of rebuilding this year. However, with returning players Scott Stark, Amaechi Udoji, Virgil Jackson, Erik Kreps and Sean Kenny, the prospects for next season seem bright.

Upward Bound

Led by Coach Jill Ingersoll and co-captains Jocelyn Gerich and Charisse Hudyma, Pioneer's synchronized swim team had its most successful season in years. The team's effort resulted in its placing first in five of the eight events in the state meet. Although the women came in second overall to Monroe, the gap between the two teams was closed considerably over previous years. The women won the regional meet and placed enough people into the state competition to be a real threat to Monroe. The synchronized swim team is definitely on the rise!

The women's gymnastics team had a very successful season, winning all but one of its dual meets and ending with a 7-1 season record. The team finished first in the S.C.C. Although the number of girls participating was small, they did very well competing against teams that were ranked within the top ten in the state.

In post season play, the Pioneers defeated Plymouth Salem in in pre-district competition. In the district tournament, they defeated Adrian, Wayne Memorial, and cross-town rival Huron to claim the District championship.

Wrestle Mania

The Pioneer wrestling team completed a successful campaign for the 1987-88 season, posting a 3-1 mark in the league and a 9-5 record overall. In the conference tournament, Pioneer finished second to a powerful Romulus team.

The grapplers were led by senior captains Jason Palmisano and Andy Turner. Seniors Sean Knight, Ray Comiskey, Mike Payette, Mark Joseph and Kent Kleinschmidt provided experience and Joseph and Kleinschmidt qualified for the state wrestling meet.

Coach Impressed With Season

The 1987 Pioneer baseball season was an "impressive one," according to head coach Rip Kinney. Twenty wins and ten losses overall is impressive, but the high point of the season was a 2-1 win over defending state champion Ypsilanti in the MHSAA Tournament.

Co-Captains Mark Hirth and Jotham Monsma led the team from their infield spots. Brian Williams, Scott VanAppledorn, Jim Dautremont, and Peter Murchie led the mound corps. Brian Dolan and Scott VanAppledorn worked as catchers, while Mike Vollmer, Brian Williams, Haig Avsharian, and Dave Frick roamed the outfield. Dolan, Helber, Hirth, VanAppledorn, and Williams received All-SCC honors, while Avsharian, Helber, Hirth, VanAppledorn, and Williams received All-Metro honors.

Regional Champs

Winning is becoming a tradition for women's golf at Pioneer. The team captured its third consecutive league championship and second consecutive regional championship. The team's dual season record was 13-1-1. After capturing the regional crown, the women went on to the state tournament, where they finished eighth. The sport has become so popular that a junior varsity team was established. Competing mainly against varsity teams, the J.V.'s finished the season at 6-2. With the return of seniors Shannon Hamel, Wendy Fleischman, and Candy Sargent, the golfers should continue the winning tradition in 1988.

On the BALL!

The women's soccer team had an impressive season with a 9-3-1 overall record and a 7-0-1 league record. The team's hottest contest was with Plymouth Canton in the district quarter-finals. In a sudden death double overtime game, the Pioneers lost by an 0-1 score. Overall, however, the Pioneers scored 45 points vs. 12 points for their opponents.

League Champs

After a slow start of five wins against eight losses, the softball team bounced back to win six straight games in the Royal Oak Shrine Tourney. The team went on to capture the S.C.C. championship with a 7-2 overall record in the league.

The team was led by co-captains Chris Spears and Alison Perkins. Chris won the Most Valuable Player award, while Alison was chosen the Most Improved player. Cori Brown was recognized as the Best Defensive player, while Julie Hirth received a similar award for Best Offensive player. Amy VanAppledorn received the Self Achievement award and was selected as the Most Promising player.

Court Update

The men's tennis team, coached by Tony Martin, enjoyed a winning season. Led by strong performances by Will Berrodin and George Earl, the team was also fortunate to have the added experience supplied by many returning players.

The outlook for 1988 looks bright with several of the best players still at Pioneer. Strong newcomers Kyle Pullen, Mike Nold, and Tim Lotz promise even more success for Pioneer men's tennis in the future.

Ups and Downs

The 1987 Pioneer men's golf team faced a season of ups and downs. The year was highlighted by a one-stroke victory over top-ranked Detroit Catholic Central. That win was overshadowed, however, by the team's disappointing performance in the regional tournament.

The team's goal was to place at least third in the regional tournament and earn a berth in the state tournament. However, that goal was missed by five shots. The team's final league record was 12-3. Joe Savarino was medalist at the league meet.

Next year's team will be led by Jeff Haessler, Tom Cole, Dave Kabat and Chih Chang. "I'm satisfied with the performance of this year's team," said Coach Brian Miller. "They had some good moments but we are always looking to improve, and next year's team has the potential for a great season."

They're #1

The Pioneer women's track and field team captured its third consecutive state Class *A* championship in the spring of 1987. The victory was part of a growing tradition; during the 1980's the Pioneers have gained seven SSC and seven regional titles, produced 61 All-State athletes, and nine All-Americans. In that same period, Pioneer women have lost only four dual meets.

The team's goal, and one that was achieved, was to have an undefeated season. Senior Lisa Waite produced a state record discus throw and was selected to the All-State and All-American teams. Also named to the All-State team were Michele Kennedy, Kellie Anderson, Danielle Harpell, Seana Arnold, Diane Laurin, Beth Zimmer, Binti Allen, and Crystal Braddock. The team's continued progress and work ethic should bring more success in 1988. Bridgett Thomas, Diane Laurin, Seana Arnold, and Danielle Harpell are captains of the 1988 track and field team.

This year's ***OMEGA*** tried to capture our theme *Moments to Remember*. As editor of this yearbook, I would like to express my appreciation to all students and staff who helped put together the 1988 ***OMEGA***. I would especially like to thank Mrs. Peacock, our advisor, for her help and support. Mrs. Nora Guiney, the representative of Walsworth Publishing Co., was always there with helpful advice when we needed it. Although I had never worked on yearbook before, I found it a challenging and wonderful experience. I hope you found in this year's ***OMEGA*** some moments to remember.
